Why Choose Classics Hammer FC?

- **Player Development:** Classics Hammer FC is a curriculum based elite player development program for players U8 through U19. 100% of club decisions are based upon what is best for every player. Unlike other clubs, Classics Hammer FC does not believe in a tiered training approach within an age group. We offer the same training for all teams within every age group. Every player in Classics Hammer FC is trained by our experienced and highly recognized Technical Training Staff.
- **Professional Staff:** Full-time and part-time accredited technical staff coaches and 100% professional team coaches. **No parent coaches.** Our Technical staff trainers have been with Classics Hammer FC for many years. Classics Hammer promotes and pays for continued coaching and training development so that our players benefit from our commitment to our trainer's and coach's education.
- **Club Structure:** The Classics Hammer FC structure and size is designed to deliver the training and player development required to have our teams and individual players enjoy success at the State, Regional, and National levels. Our club structure was carefully developed to ensure that each team gets an experienced professional trainer twice per week. More teams do not make better, more passionate soccer players; better training does.
- **Club History:** Classics Hammer FC is a not for profit organization that has continued to develop itself for over 20 years. Our focus on player training and development has kept Classics Hammer FC ahead of other clubs in developing innovative ways to continue to deliver the strong training and development that is now synonymous with Classics Hammer FC. We have a strong history of innovation in the Greater Cincinnati area and we are proud of being the regional leaders in training innovation.
- **Athletic Performance:** Classics Hammer FC develops player speed and physical development through its own proprietary fitness program. The program is specifically designed to enhance performance on the field as well as minimize injuries. Classics Hammer FC has also developed a strong relationship with TriHealth to develop educational materials to help your child.
- **College Recruiting:** Classics Hammer FC has a long, proven record of college placement at Division I, II, III and NAIA.
