

## Why Choose Hammer FC?

**19 Ohio South State Cup Champions**

**2 US Youth Soccer Region 2 Champions**

**1 US Youth Soccer National Champion**

**Over 25 years of developing Collegiate Athletes**

***“We develop soccer players to their fullest potential by providing the best soccer training.”***

- **Player Development:** Hammer FC is a curriculum based elite player development program for players U8 through U18. 100% of club decisions are based upon what is best for every player. Unlike other clubs, Hammer FC does not believe in a tiered training approach within an age group. We offer the same training for all teams within every age group. Every player in Hammer FC is trained by our experienced and highly recognized Technical Training Staff.
- **Professional Staff:** Full-time and part-time accredited technical staff coaches and 100% professional team coaches. **No parent coaches.** Our Technical staff trainers have been with Hammer FC for many years. Hammer promotes and pays for continued coaching and training development so that our players benefit from our commitment to our coach’s education.
- **Club Structure:** Hammer FC structure and size is designed to deliver the training and player development required to have our teams and individual players enjoy success at the State, Regional, and National levels. Our club structure was carefully developed to ensure that each team gets an experienced professional trainer. More teams do not make better, more passionate soccer players; better training does.
- **Club History:** Hammer FC is a not for profit organization that has continued to develop itself for over 20 years. Our focus on player training and development has kept Hammer FC ahead of other clubs in developing innovative ways to continue to deliver the strong training and development that is now synonymous with Hammer FC. We have a strong history of innovation in the Greater Cincinnati area and we are proud of being the regional leaders in training innovation.
- **Athletic Performance:** Hammer FC develops player speed and physical development through its own proprietary fitness program. The program is specifically designed to enhance performance on the field as well as minimize injuries.
- **Hammer University:** Hammer FC has a long, proven record of college placement at Division I, II, III and NAIA. In the past seven years, Hammer players have earned more than one hundred soccer scholarships to over 41 division I and II schools. We help players create college opportunities.
- **Blue Chip College Showcase:** Hammer has hosted this nationally recognized, Top Ten premier college-recruiting event for nearly 20 years. 250+ college coaches attended our premier event each year. This Showcase is specifically designed to attract college coaches from across the country to watch U16 and older Hammer players as well as 70 other top tier teams across the U.S. and Canada.
- **Hammer Cup and Classics Friendlies:** Spring and Fall events attended by teams from many states including: MI, PA, OH, MO, IN, and TN. The two tournaments are designed to give our U14 and younger teams a premier event without having to incur travel expenses.
- **Location! Location! Location!** Conveniently located off 275, our twelve acre, Kellogg Avenue facility is easy to get to from anywhere in Cincinnati and Northern Kentucky.
- **WPSL:** The WPSL is an independent national league whose main focus is on the development of highly competitive amateur women’s soccer teams. The WPSL allows collegiate athletes a chance to prepare for their Fall seasons during the summer months, allows U17/U18 players a chance to play in a highly competitive environment during the summer months, and allows former Cincinnati players a chance to play in a professional setting and continue their love of the game.
